TO WHOMSOEVER IT MAY CONCERN

The International Buddhist Confederation, which is an international umbrella Buddhist body based in New Delhi with members in 39 countries and more than 300 international organisations, had the opportunity of working with *Theatreworld* on a theatre production on the Life of Gautama Buddha.

2. The event was held on 2nd December 2025 at Bodhgaya, famously known for being the place where the Buddha attained enlightenment. The impressive dance drama curated by *Theatreworld* was witnessed by a large international audience who left the auditorium mesmerized by the impactful performance of the artists.

3. It was a pleasure for us to witness the deep personal involvement and commitment of Ms Lushin Dubey and Ms. Bubbles Sabharwal who passionately directed and guided the artists while preparing the show. IBC has benefited significantly through this endeavor as we received rousing appreciation from different quarters across the world from those who witnessed the show live from different countries.

4. We wish *Theatreworld* and the team every success in all their future projects.
